Re: State Speakers' Tournament

I hope that you are well. As you know, this Saturday would have been the day on which our State Bible Drill and Speakers' Tournament would be held. I wanted to send a brief reminder regarding the Speakers' Tournament.

While the LBC Speakers' Tournament was cancelled, we were able to arrange for Louisiana College to host an event. We are very thankful and appreciative to them for making this possible! Louisiana College is planning to use the same rules and procedures that have been provided in the Procedural Pamphlet. In addition, participants will receive seals, certificates, and awards as listed in the Procedural Pamphlet. The 12th Grade Winner will receive a gift since the National Tournament has been cancelled.

Please note the following:

Once the District Tournament has been completed, please notify LBC of those students qualifying for State. We will forward their name, contact information (including email address), and church to Louisiana College. LC will then contact each participant with instructions on the tournament.

If you have questions or need clarity, please don't hesitate to contact us by email or phone.

Sincerely,

Brandon Lewis
