FARMER'S CO-OP

THE COOPERATIVE PROGRAM

CP is the SBC's Co-Op that has been spreading the gospel around the world since 1925. These seeds have continued to produce a mighty harvest in Louisiana and internationally through the gifts of churches whose visions are greater than themselves. Seminary students, church planters, international missionaries and ministries, campus ministries, disaster relief, world hunger solutions, evangelism and training are all a part of the Cooperative Program.
