EVANGELISM MADE SIMPLE

Providing a simple personal evangelism tool to impact lostness in Louisiana

A COOPERATIVE PROGRAM MINISTRY

One on One: Evangelism Made Simple is a customizable, cutting-edge evangelism tool. It is capable of standing alone as a primary evangelism tool or enhancing an existing program of evangelism.

Not everyone is an extrovert willing to engage a stranger in an evangelistic conversation. *One on One: Evangelism Made Simple* provides clear, effective ways for an introvert to be involved in evangelism and the extrovert to add more tools to his or her evangelistic tool belt.

As believers mature, their evangelism skills will develop, enabling them to engage unbelievers in new and more effective ways. *One on One: Evangelism Made Simple* encourages people to grow and expand how they share their faith.

Here are a few suggestions for utilizing this tool. *One on One: Evangelism Made Simple* has been used on Wednesday evenings for Bible study, and some pastors have taught it to their congregations as a study or as a sermon series. It can be taught in small groups, such as Sunday school or community groups. Use it to equip the team who visits church prospects during the week.
