PARTICIPANTS

BASIC MATERIALS

Verse cards and this Procedural Pamphlet are available on the LBC website at www.louisianabaptists.org/bibledrill

Drill Bibles are also needed and are available from Lifeway:

King James Version

Christian Standard Bible

DRILL PROCEDURES

To conduct the drill, a drill leader (conductor), a timekeeper, and three judges are used. Each judge will score **ALL** participants, maximum of 12 per group. Participants should be tagged with large numbers for ease in scoring and calling on them to respond. Judges score only mistakes for **ALL** participants. (See the “Mistakes” section in this pamphlet.) In scoring, when there is a question, the judging team will give participants the benefit of the doubt. The **conductor** is the only one that confirms a memory response by “That is Correct” or “Please try again” (one extra chance only). If a driller cannot give the proper response, the conductor will ask the group to respond in unison. If the group is a mixed group (KJV and HCSB together), the conductor will give the correct response. **All other judging issues are the responsibility of the judges and the conductor will refrain from any comments of any kind in reference to mistakes during the drill.**

***NOTE:** At each drill level, scores are totaled, then averaged.

MISTAKES

Judges will place a number (1-5) in the appropriate box, on a score sheet, to indicate the mistake. Only one mistake may be scored for a participant on any single call. In scoring, when there is a question, the judging team should give the participants the benefit of the doubt.

Mistakes are:

1. Child fails to step out within 10 seconds.
2. Child gives incorrect responses (indicated by conductor). This includes any child who raises his/her hands, indicating an error. It is an error to step out, then step back, then step out again, even if it is in the allotted time.
3. Child fails to stand straight, keep eyes on the leader, or begins any movement before the command “Start” is given.
4. Child steps forward before the index finger is on the correct response (applies to those calls in which the Bible is used).
5. Child fails to handle the Bible according to instructions or obviously misuses the Bible. The Bible should be held parallel to the floor with one hand flat on the top and one hand flat on the bottom with no fingers or thumbs extending over the edges.

***PLEASE NOTE:** At each drill level, scores are totaled, then averaged.

DRILL COMMANDS

“Attention” – When the conductor gives the call, the participant will stand erect with one foot not extended in front of the other, hands by side, heads up, eyes on the leader, and Bible in either hand at side, spine side down.

“Present Bibles” – Participants bring the Bible to waistline. The Bible should be parallel to the floor with one hand flat on the top and one hand flat on the bottom with no fingers extending over the edges. This call, (“Present Bibles”) is used only in the Book Drill and Key Passage Drill. Following “Present Bibles”, the conductor announces the call.

“Start” – In the Quotation, Completion, and Plan of Salvation Drills, each participant who knows the reference will step forward one step when the conductor gives this call. For the Book Drill and the Key Passage Drill, the participant will begin searching in the Bible. When the verse is found, the participant steps forward with a finger on the appropriate place. After stepping forward, the participant is to look at the conductor. It is a mistake to begin movement before “Start” is called.

“Time” – The timekeeper calls time at the end of 10 seconds. The full ten seconds is given on each call. There is to be **no** “All Out” called to shorten the drill. No one may step forward after “time” is called, and all participants should stop searching. The conductor calls on one participant, who will give the proper response. A participant will be expected to raise his hand when he has the wrong reference whether called upon or not. If the child called upon cannot give the proper response, the conductor will ask the group to respond in unison. If the group has a mixed group (KJV and HCSB together), the conductor will give the correct response.

“Attention” – **The participant will close his Bible and take one step back to his original position.**

TYPES OF DRILLS

The scriptures and references for Quotation and Completion verses, Key Passages, and Plan of Salvation are found on the verse card “Children’s Bible Drill Verses (Blue Cycle).

Quotation Drill.....6 Calls.....Bible is not used

References are taken from verses in the blue cycle. The conductor gives the reference (Example: “Genesis 1:1”). If the participant knows the verse, he steps forward one step on the call “Start”, prepared to quote the verse and to give the reference.

Completion Drill.....6 Calls.....Bible is not used

References are taken from the verses in the blue cycle. The conductor quotes the part of the verse that is underline [Example: (HCS) “In the Beginning” or (KJV) “In the Beginning”]. If the participant can complete the verse, he steps forward one step on the call “Start”, prepared to quote the entire verse and give the reference.

Book Drill.....6 Calls.....Bible is used

Any book in the Bible may be called. The leader calls a book of the Bible. After the call “Start” is given, the participant finds any page in the book called, places a finger on the Page and steps forward prepared to name the book preceding the one called, the book Called, and the book following the one called.

Key Passage Drill.....6 Calls.....Bible is used

Only those key passages in the blue cycle will be used. The conductor gives the reference by stating the subject or title given to the passage (Example: “The Ten Commandments”). the participant finds the passage (Exodus 20:3-17), places his finger on any portion of the passage & steps forward. When called upon, the participant will state the **key passage and reference**. The conductor will designate one or more verses to read aloud. If the verse called for is on another page, the child must ask permission to turn the page. **Reading ability is not judged.**

Plan of Salvation.....5 Calls.....Bible is not used

The conductor asks the question. If the participant can answer the question, he steps forward one step on the call “Start”, prepared to **state and answer the question, give the reference, and quote the verse.**
