

IMPACT REPORT

CP ► MAXIMIZING GOSPEL IMPACT

📍 IMB

- **A church plant in Hungary has grown** to 50 people each week, with 15 nations represented most Sundays. IMB missionaries Gary and Carolyn Miller note the church focuses on university students and young adults.

- **New Zambian church meets under a tree** with stones lined up in perfect rows for seating and a simple cross made with sticks tied together. IMB missionaries Randy and Kimberly Windham say this is one of twelve new churches in Zambia.

- **Drug addicts are finding salvation in Central Asia** through House of Hope, a rehabilitation ministry. IMB missionaries live alongside the men at the house to invest in their healing and spiritual growth.

🔗 NAMB

- **950+ pastors & ministry leaders were trained** in 2022 through NAMB-hosted evangelism trainings, including an all-Spanish training in Houston.

- **Send Relief engaged 788 churches**, mobilized 37,759 people and served more than 246,000 people through 20 ministry centers across North America and Puerto Rico.
- **Nearly 400 church planting missionaries** attended Send Network Orientation in 2022.

📍 LOUISIANA BAPTISTS

- **Students and staff from six BCMs (Baptist Collegiate Ministries)** spent part of their Christmas break sharing the gospel in Mexico and over 100 people came to faith in Christ! **Louisiana BCM team leads 101 to Christ in Mexico.**
- **More than 800 people made decisions for Christ** during YEC in November. Over 5300 teens attended the annual outreach event. **YEC 2022: 830 students made decisions for Christ.**

- **Louisiana Baptists supported ten new churches in 2022**, thanks to your participation in the Cooperative Program and the Georgia Barnette Louisiana Missions Offering.
- **An average of 74 people indicated a decision for Christ every month** in 2022 through Louisiana Baptists multi-media outreach, *Here for You* and our partnership with the Billy Graham Evangelistic Association. This translates to 884 decisions!
