2023-2024 CHURCH PLANNING GUIDE

A New Culture

Louisiana is known for its culture. People come from around the world to enjoy our food, our festivals and more.

But today, I want to challenge all of us to pray for and work toward a different culture. A new culture, if you will. A culture of evangelism.

A quick demographic overview reveals our state has a population of 4.6 million people. An estimated 70% of those, or 3.2 million people, do not have a relationship with Christ. Even more sobering is the reality that almost 57,000 people die in Louisiana every year. This translates to approximately 155 per day.

We must do something. I don't intend to infer that we've been doing nothing, for that is certainly not the case. However, the reality is we're falling further and further behind in our efforts to evangelize Louisiana. You may sense this in your church as the baptismal waters are not stirred as often as you desire. I know when I pastored, and week after week went by with no one being saved, it was discouraging.

However, I see in scripture a culture that I believe can be recaptured today – daily.

- Act 2:47, "Every day the Lord added to their number those who were being saved."
- Acts 5:14, "Believers were added to the Lord in increasing numbers ..."
- Acts 16:5, "So the churches were strengthened in the faith and grew daily in numbers."

As you plan your church calendar for the coming year, let me encourage you to pray through what a culture of daily evangelism looks like for you, for your church, and pursue that with a Godly passion. This culture of daily evangelism happened once, and through the power of the Holy Spirit, it can happen again. And it can happen in Louisiana.

Read more about creating a "Culture of Evangelism" on my blog: LouisianaBaptists.org/DrHornBlog.

Here's to establishing a culture that will have the angels rejoicing every day.

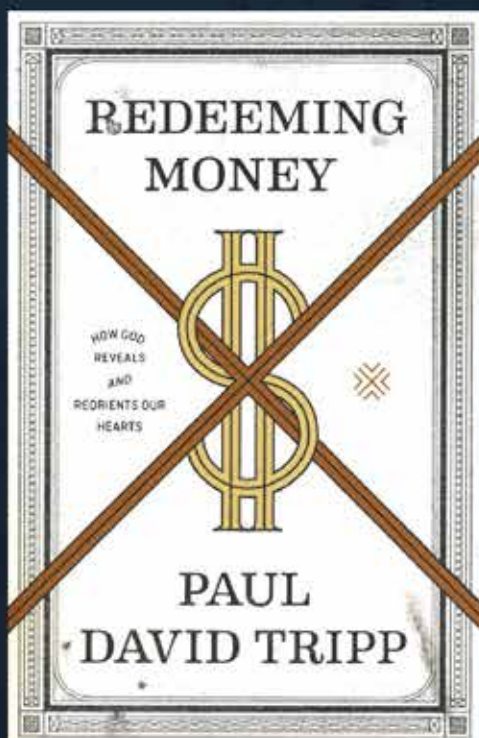

We Are Here for You,

Steve Horn

Looking to help others discover the joy of generosity?

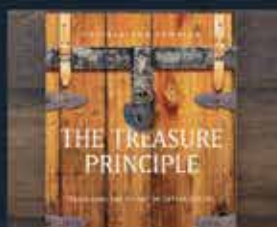

Redeeming Money draws upon a simple yet challenging distinction that Jesus made: we can either love God or money, but not both. Paul Tripp explains that a right belief system is essential to managing the money that King Jesus entrusts to us.

”

Money is a stimulant. It will be used to stimulate a Godward way of life or an inward way of life.

Your people are your specialty.
Making Bible studies is ours.

LET'S MAKE DISCIPLES TOGETHER.

Making disciples is the most important
job for any Sunday School or small
group ministry. Making sure you have
everything you need to do it is our
mission. At Lifeway, we handle the busy
work to ensure you can spend more
time doing what matters most: growing
closer to Jesus together.
