

Let's GO!

Another year of ministry is quickly passing us by and leaving us open to all that 2025 may offer us. It is hard to believe that Y2K was now 25 years ago. But, when I reflect on those 25 years it holds a lifetime of ministry and memories. Think back to all the children and families that your ministry has impacted over the last quarter century and thank God for all that He allows you to participate in. We often can get lost in the memories of a glorious past. However, God calls us to be a people with our hands to the plow and looking forward to what He has in store for us next. In that mindset we are pleased to present this calendar with many opportunities of partnership in ministry from your Louisiana Baptists state office. We would love to offer these chances for partnership to you and your church. If you have any questions about any of these events or anything to do with Children's Ministry please do not hesitate to contact us. We are here to serve and strengthen you and your ministry.
