

LOUISIANA BAPTISTS ARE HERE FOR YOU TO:

Seek the Lost, Strengthen Churches, and
Support cooperative missions and ministries!

The Children's Ministry department is here to partner with you and your local church to accomplish these three goals. In that spirit, we are glad to share this calendar of opportunities for partnership.

In today's culture of ever-changing standards and rocky foundations, we need to be alert and on point to take every opportunity to point children and their families to the true bedrock foundation, Jesus Christ. In this brochure you will find opportunities for leaders, training, children's discipleship, children's missions, and children's evangelism. In addition, you will discover opportunities for the larger church to engage in partnership through events like the Evangelism Conference (ECON) and Annual Meeting. I truly hope that you will consider these occasions for partnership and join us in this holy endeavor.

Even if your calendar does not allow for partnership in these specific occasions we want to partner with you in being a resource for your church in all things children's ministry. Please don't hesitate to reach out if there's anything we can assist you or your church with. You can contact our office through the following ways:
